Item #	Description	Color	Qty
64033	Economy Folding Chair	Platinum	4/ct.
64037	Economy Folding Chair	Charcoal	4/ct.

These folding chairs are extraordinarily comfortable. Ergonomically contoured, extra wide seat and back provide all-day support with a softer feel. The seat and back are constructed of blow molded high density polyethylene with soft radius edges. This gives both the seat and back a "soft" but "firm" feel.

Premium
