

SnapEase™ Stackable Storage

Customizable. Lightweight. Durable.

SnapEase™ Stackable Storage

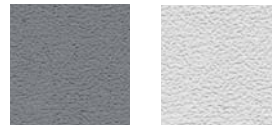

Left: 4-Stack Shelf File (#20616) with File Base (#20636) and Locking Extrusions (#20676) (order separately), Middle: Mobile Storage Unit (#20646), Right: 70" Cabinet in Charcoal (#20677)

SnapEase Stackable Storage System answers the need for flexible ways to organize, stack and store material efficiently. Customized units can be created for storing files, books, binders and supplies in less than three square feet of space.

- Quick, snap-together assembly
- Impact-resistant
- Won't dent, chip or rust
- Movable dividers
- Rounded corners for safety
