SnapEase™ Office Carts

The Iceberg SnapEase Office Carts are designed for the evolving workplace of today. These durable and functional carts are perfect for any task where safe, quiet and easy maneuverability is a must.

Designed to be more sturdy than the traditional “shake, rattle and roll” metal carts. SnapEase features large 8-1/4” back wheels and 4” lockable front casters for smooth and easy movements.

These beautifully styled carts feature an easy-to-clean contoured surface made of impact resistant Blow Molded High Density Polyethylene to help prevent damage to office walls and furniture.

These UPSable carts are ready-to-assemble in just minutes with easy-to-follow instructions.

Whether in the conference room, mail room, office, school, library, church or healthcare facility, SnapEase Carts offer easy solutions for today’s workplace.

- 1 Impact Resistant Blow Molded High Density Polyethylene Material Resists Scratches, Chips and Dents
